

Bio Information for Bryan "Chuck" Barton

Bryan Douglas Barton is my full given name, but most people call me "Chuck." (Try figuring that one out). My parents are Kay and Carol Barton.

I married Lynette Whitney, my Pine View High School Sweetheart, on December 1st, 1990, after serving a mission for the LDS Church in Hamburg, Germany. Lynette was born in Cedar City, but grew up in Washington, UT, where her parents, Darrell and Sally Whitney still reside.

Lynette and I have 3 beautiful children: Whitney Lyn Barton, age 13; Tyler Bryan Barton, age 12; Samantha Kay Barton, age 8.

I am a Certified Financial Planner with Merrill Lynch, and have been in the financial services field for over 15 years. I earned a Bachelor Degree from SUU, and an Associates Degree from Dixie State.

I am an active member in my community and have served on a number of boards. Among these include Past Chairman of the St. George Musical Theater and Past Co-Chair of KONY Coins for Kids. I currently sit on the Planned Giving Committee for DRMC Hospital Foundation.

At present I work with the youth in my LDS Ward and am active in Scouting. I am a Scout Master and serve on the Eagle Scout Board of Review. I continually encourage the youth to get involved in knowing their history.

I am blessed with a rich Pioneer Heritage on both sides of my family. I have deeply loved getting to know some of my ancestors. It is not enough for me to simply identify their names; I have a great desire to KNOW them.
