1982 - 1987 - Somalia Africa - Director of US/USU National Agriculture Research Extension Project.

1987 - 1990 - Cairo, Egypt - Director of US/New Mexico National Agriculture Research Extension Project.

Life - Throughout our "Career", with our three sons, we were privileged to be involved in the lives of many people throughout the world, sharing leadership and musical talents. We offer much gratitude for having these opportunities to "serve" in assisting both their temporal and spiritual development for improved living, sometimes in very, very difficult environments; showing by teaching and example the Great Plan for the future.

1991 to Present - Retirement in Silver Reef (Leeds, Utah). Served in Church and Community Leadership, with Norma, three LDS Missions.

Assistant Directors of St. George Temple Visitor's Center and Historic Sites

Directors of LDS Member Location; St. George Center for US and Canada.

Directors St. George Temple Baptistry.

Etc., etc., etc.

This has been a wonderful journey for the "Little farm by" from Meadow, Utah and graduate of the great Millard High School, which is the Center of the earth.
