

Bio for DuWayne Eyre

My name is DuWayne Lowman Eyre I was born of goodly parents on November 26, 1928 in Salt Lake City, Utah. I was raised in Montana, Arizona, California and Utah.

I attended grade school in Helena Montana and Phoenix Arizona, attended high school one year in Phoenix, second year in Stockton and San Diego California, my last two years at Dixie in St. George Utah. As a result of all these different high schools some of my credits got lost or missed placed so I didn't get my diploma until 1998. I married Maxine Leany in the St. George Temple on May 22, 1948 the day after we graduated from Dixie. Thanks to Maxine she made the school find all my missing credits so we could graduate together. She said that was my wedding gift from her. Maxine kidded me about having to have my mom's permission to get married at nineteen but at eighteen she did not.

I moved Maxine from the frying pan to the fire in Phoenix Arizona. I lived twenty three years in Arizona. I received my temple endowments at the Mesa Arizona Temple. Maxine and I have five children a boy, Terryle Lynn, four daughters, Dawnita, Nadine Faye, Annette Irene and Leanna Esther. We were very blest as all were married in the temple. Our son filled a full time Mission in Washington State. All are active in the church, have blessed us with twenty five grand children and so far twenty six great grand children plus three on the way that I know of.

Maxine had many health problems so in November of ninety seven she graduated from this life and went back to her Father in Heaven. Never having been alone I made it through five months alone. I decided to find Maxine's best girl friend who I had known as long as Maxine. Lucky for me she was single and willing to marry me so on March 23, 1998 we were married for time in the Las Vegas Temple. On my birthday 2004 we were sealed together for time and eternity in the St. George Temple.

I have been ordained a Deacon, Teacher, Priest, Elder, Seventy and High Priest. Served three Stake Mission's, as first counselor in Elders Presidency, Ward Financial clerk, first counselor in two Branch Presidency's, High Priest Group Leader, Teacher in Sunday School, two callings in Manti Temple, one calling at Jordan River Temple.

My profession was in the trades as a journeyman plumber, a licensed plumbing contractor in Arizona and Utah I have worked on Hospitals, Prisons, Schools, Courthouses and Tracts of Homes presently retired. Waiting for my next challenge in life.

I have a very strong testimony of the truth of the Gospel I know that Joseph Smith was called of God to organize The Church of Jesus Christ in this the last dispensation. I know all of the latter day Prophets down to President Gordon B. Hinckley were called of God. I pray I will always be found worthy so I can spend Eternity with God the Father and his son Jesus Christ our Savior this I do in the worthy name of Jesus Christ Amen.
