Military

Air Force, Base Engineers, 1952-1956

Illinois

Oklahoma

Okinawa

Japan

Professional

Superintendent - Heavy Construction – Steel Mills

Automation & Controls

Systems Manager – ALCOA Hdq.

Church Experience

Regional Welfare Agent

Bishop, etc., etc.

Present calling – Stake Finance Clerk

My two top favorite callings were:

1. Region Agent, because of the quality and Spirituality of the people involved at

level. Assignments were given with no follow-up, but always completed, on time, every time. Much was expected and much was given.

2. Deacons Quorum Advisor, because it gave me a chance to be the first teaching influence in getting young men started in the right direction in their Priesthood.

Memorable Events

Good – Finding this Church

Bad – Losing a son.

Good – Finding my wife, Charlotte

Bad – Electrocuted 3 times.

Good – Finding St. George

Bad – Lost a Kidney ©

Good – Still have one.
