

WELCOME TO UTAH'S DIXIE

We hope you enjoy your stay in Utah's Dixie as part of the 2010 Sons of Utah Pioneers National Convention. We have prepared the following pages to help you become better acquainted with the rich pioneer history that abounds here. Because of space limitations we have chosen just a few short stories about some of the places we will visit as part of the historic tours. We hope this information will enrich your experience and enlighten our combined understanding of the heroic sacrifices made by those who came before us. We can learn much from their successes *and* their failures as we strive to build unity in our community. Thanks for joining us as we unite to honor the pioneer spirit –

past, present, and future
